DEPARTMENTAL REVENUES

SECTION 4. All departmental revenue of every kind, as hereinafter defined, collected by any department, institution, office, or agency, in the course of its operations, for its own use, are hereby appropriated to it in addition to the specific appropriations made by this act, unless otherwise provided in this act or other provision of law. Federal aid funds granted to the state for the use of or to be administered by any department, institution, or agency, are likewise appropriated. For the purpose of this section "departmental revenues" are defined as (1) earnings or charges for goods or services; (2) donations, contributions or participation by political subdivisions, foundations, corporations, firms or persons. State revenues, in contradistinction to departmental revenues, are the proceeds of taxes, licenses, fees, fines, forfeiture or other imposts laid specifically by law.

Notwithstanding any provision of the previous paragraph, the Department of Health shall deposit all funds generated by fees or taxes collected by such entity in the general fund of the state. Any appropriations for the operation of such entity shall be subject to allotment by the Commissioner of Finance and Administration, and no expenditure shall be made by any such entity out of fees or taxes collected by it, unless and until such allotments have been made by the Commissioner of Finance and Administration. Such allotments for the operation of such entity as are made by the

Commissioner of Finance and Administration shall be disbursed under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

Provided, however, that all expenditures of any community development block grant funds in addition to those appropriated and enumerated in this section shall be subject to the following limitations and restrictions:

The Housing and Community Development Act of 1981 made it possible for states to assume administration of the small cities Community Development Block Grant (CDBG) previously administered by the U.S. Department of Housing and Urban Development (HUD). In Tennessee, the CDBG Program shall be administered by the Department of Economic and Community Development (ECD).

There shall be appropriated by the General Assembly to ECD such funds as may be allocated to Tennessee by the federal government for the CDBG Program. The state-administered CDBG Program shall be developed within the parameters of the CDBG legislation, applicable federal regulations, and consultation with citizens and elected officials in Tennessee.

The CDBG goals shall be three-fold: (1) target on areas of economic distress, (2) stimulate the growth of jobs and income in these areas, and (3) maximize the number of grantees. Additionally, all CDBG projects must meet one of the three national objectives of (1) principally benefiting persons of low and moderate income, (2) elimination or prevention of slums and blight, or (3) elimination of conditions detrimental to health, safety or public welfare. ECD shall be authorized to make grants and/or loans of CDBG monies to eligible city and county governments in Tennessee to achieve these goals. Loan payments and interest shall be reserved for reappropriation and shall not revert to the general fund balance at year end.

Water/Sewer/Solid Waste	13,493,200	12,837,400
Housing and Neighborhood Revitalization.....	2,273,600	2,163,100
Set-Aside	1,000,000	1,000,000

A fifty percent (50%) reduction in any category will be permitted to facilitate proper program management and allow administrative flexibility. The funds so reduced shall be allocated to other categories with priority given to water/sewer/solid waste projects.

Selection criteria for project approvals shall be uniform within categories, objective and quantitative, and shall be based on project need, project feasibility, project impact, community need, and, for community livability projects, essentialness.

Project application materials will be supplemented, as appropriate, by site visits and by informed opinions of state agencies knowledgeable about particular projects.

The level of CDBG assistance for individual projects shall be determined by the following factors: (1) the percent of project beneficiaries that have family incomes below the low and moderate income (LMI) levels, (2) a maximum grant and/or loan of \$750,000.00 for individual projects (\$300,000.00 for community livability projects), (3) a maximum grant and/or loan to any applicant of \$750,000.00 in two successive years, and (4) the grantee's ability-to-pay. Higher grant levels (up to \$1,000,000.00) may be approved for regional projects.

If modifications in the expenditure plan for the CDBG Program are required, said modifications shall be accomplished in the following manner: (1) if the General Assembly is in session such modifications shall be approved by the General Assembly, or (2) if the General Assembly is not in session, the Governor may, (a) submit such modifications to the State Funding Board for approval or, (b) call a special session of the General Assembly for approval.

The Commissioner of Finance and Administration is authorized to transfer a sum sufficient between FastTrack programs in order to provide for grants made under these programs.

The Department of Economic and Community Development may use a portion of the funds provided for the FastTrack programs for program administration, marketing expenses, and program evaluation; however, such expenses shall not exceed five percent (5%) of the total amount appropriated for the program in any fiscal year.
